MBA department organized a Workshop on 'Leadership Development through Inner Transformation' by combined and collaborative effort of Marketing, Health and CSR Clubs on 13<sup>th</sup> Jan 2018.

The vision of the workshop was to develop and enhance leadership as skill among students through Inner transformation.

The event started with a very warm welcome of our Guests of the day 'Mr. **NISCHAL KAPOOR, Vice President IBM**, and Mr. **HARVINDER SINGH, Country Manager UNITED AIRLINES**. Director Prof. (Dr) Sanjay Kumar felicitated the guests with token of gratitude. The session started with introduction on 'Spirituality- Inner transformation' leading to development and enhancement of Leadership among students which bought within its purview a mood of learning, excitement and enthusiasm. The session received full participation on the part of students and thus making it an Interactive one. They further presented a powerful presentation on believing in oneself promoting self-motivation, by idolizing positive energies leading to inner transformation. Then they exercised the practical implementation of meditation which marked the day with peace of mind and core learning. Students, Faculty Members and Head of all Departments participated in the workshop.

The session ended with a vote of thanks by Head of the Department, Dr. Divya Gangwar, extending a heartfelt gratitude to the guests. The Bhangra dance society of NIEC – 'VIRSA: The Bhangra Regiment' presented a short performance, making the ambience more joyful.
