

**DR. AKHILESH DAS INSTITUTE OF TECHNOLOGY AND
MANAGEMENT**

MBA DEPARTMENT

**FACULTY DEVELOPMENT PROGRAMME ON “BEHAVIORAL
FINANCE, SPSS AND EViews”**

MBA department organized a five days **Faculty Development Programme (FDP)** from May 28th- June 1st 2018 on **“Behavioral Finance, SPSS, and EViews”**. The Programme aimed at enhancing research and teaching capabilities of educators. The programme was well coordinated by Dr. Divya Gangwar and Ms. Ashima Kapoor

The primary thrust of the five day programme was to equip the participants with contemporary research and teaching skills. The objective was achieved as per the following schedule:-

Day 1 (28th May 2018)

The first day of the Programme commenced with the Inauguration of the FDP by Director Prof. Dr. Sanjay Kumar and Principal Dr. Yamini S and welcoming the Guest of the day Dr. Asha Chawala. The introduction to the FDP was given by Head of the Department, Dr. Divya Gangwar followed by speech of CEO Shri S N Garg.

Dr. Asha Chawla explained about the various techniques of SPSS, Research Variables and their measurements.

After a short tea break, she took a practical session of Frequency Distribution of Univariate, Bivariate and Multivariate data in SPSS. This made the participants learn about the basic entries in SPSS hence developing their research skills.

Day 2 (29th May 2018)

Following the Previous Day, **Dr. Asha Chawala** explained the participants with the in depth knowledge of Research Methodology, Research Hypothesis designing and testing.

Following a small break, the session started again with presentation on Parametric and non-parametric Tests. The session helped the participants in developing their concepts regarding Research and updating their knowledge for publishing better research papers.

Day 3 (30th May 2018)

The Third day of the Programme commenced with the warm welcome of the Guest, **Prof. Sanjiv Mittal** by Director Prof (Dr) **Sanjay Kumar** and Head of the Department, Dr. Divya Gangwar. In his first session he explained about the methods for Formulation of Research problem and Importance of Review of Literature.

After a tea break, he took another session explaining Sampling and its techniques for correct sample design and Reliability and Validity of the research Instrument. The participants got to know the Dos and Don'ts of research.

Day 4 (31st May 2018)

The Fourth day of the programme started with the welcome of **Dr. Sunita Arora, an expert in the area of EViews** Following topics were covered- Unit root test with breakpoints, Co-integration test, Vector Auto-regression, VECM and Grangers Causality Test. The FDP proved to be fruitful for the participants as they learnt about EViews and its applications in Data analytics.

Day 5 (1st June 2018)

Finally, the last day of the FDP programme began with practical session of SPSS and EViews, by solving a Case study titled as 'Eating-Out Habits of Individuals' which was assisted by **Mrs. Swati Khanna**, Assistant Professor MBA Department. she gave a case study and a core revision of the five day programme by summarizing all the concepts in a form of case study. The session ended with the thankyou speech by **Mr. Jugesh Chandra**, faculty of MBA Department of the college for the session.

After a short break, Valedictory Session was conducted by **Ms. Priya Dwivedi** (MBA 1st Year Student) which was followed by Certificate Distribution to the Participants by *Director Prof. Dr. Sanjay Kumar, CEO Shri SN Garg and Assistant Director HR Ms. Pankhuri Aggarwal, Head of the Department (MBA) Dr. Divya Gangwar and FDP Coordinator Ms. Ashima Kapoor.* At last the programme ended with the Vote of Thanks by Head of Department MBA, Dr. Divya Gangwar.
