### **INDUSTRIAL VISIT AT BARCLAYS**

Management department of NIEC organized an Industry visit for MBA second semester students at Barclays Bank on 8th and 9th February 2017.

Barclays Bank is situated at Sector 62, Noida. It is a British multinational banking and financial services company headquartered in London. It is a universal bank with operations in retail, wholesale and investment banking as well as wealth management, mortgage lending and credit cards. It has operations in over 50 countries and territories and has around 48 million customers worldwide.

On 8th February, 2017, Ms. Teena Gupta, faculty MBA Department, along with 30 students visited the Barclays and on 9th February, 2017, Ms. Swati Khanna, faculty MBA Department, accompanied the 20 students. On both the days, As soon as the faculty and students reached the Barclays, they were greeted by the Barclay officials. The visit started with a presentation, where Mr. Sudhanshu Sharma, Assistant Manager-Barclays gave an elaborate presentation on Barclays, its history, vision and mission. He explained that Barclays is organized into four core business: Personal & Corporate (personal banking, corporate banking, wealth and investment management). Most Barclays branches have 24/7 ATMs. He also informed that in the UK, Barclays also offers personal banking services through branches of the Post office.

After the presentation, the students visited various departments of the bank and interacted with officials/ members of the bank. The members also discussed the job selection process at Barclays, they also shared their individual experiences. They also discussed about the various specialization course which would be useful for the students. The members of the Barclays also answered the queries of the students regarding finance, marketing and human resources.

The visit gave students an excellent opportunity to gain knowledge about the banking industry. It was a very informative trip and the students got a practical exposure of the working atmosphere in the banking industry. An interaction with corporate professionals helped the students in gaining insight into the corporate world. It was an enriching experience for students in getting live experience of banking which can help them in their internship and further career enhancement.
