

NORTHERN INDIA ENGINEERING COLLEGE, NEW DELHI

DEPARTMENT OF MBA

REPORT ON “NSIC WORKSHOP”

MBA Department Organized NSIC workshop on 1st November 2017 for MBA III semester Students. The students were accompanied by two faculty members, **Ms. Ankita Chitkara, Ms. Shuchi Srivastava**

National Small Industries Corporation Limited (NSIC) is a PSU established by the Government of India in 1955. It is an ISO 9001-2008 certified Government of India Enterprise under Ministry of Micro, Small and Medium Enterprises (MSME). NSIC has been working to fulfill its mission of promoting, aiding & fostering the growth of Micro, Small & Medium Enterprises.

The purpose of this Industrial visit was to introduce students with various services of MSME units to provide skilled & professional workforce by imparting training on industry oriented courses in the fields like Mechanical Workshop, Information Technology and Entrepreneurship Development in NSIC Incubator. The students were acquainted with the working of various semi-automated machines used in various Micro, Small and Medium Enterprises.

Mr. JoyDeep handled the theoretical session on **NSIC and business funding** and several case studies were also discussed. This session gave students a brief knowledge about business opportunities and fund sources available to them.

Incubator visit session started exposed the students to different technologies available in the NSIC Technical Services Centre and Incubator which gave the students an opportunity to understand the working projects and technologies so that they can venture for self-employment. They also briefed the students about the various schemes that have been launched by the Government of India in recent times to encourage and support the existing and prospective entrepreneurs.

This visit was very informative and enthusiastic experience for all the students to emerge as a successful entrepreneur in the near future.
