Teacher's Day Report

Teachers play a major role in making their students responsible citizens of tomorrow and good human beings. It is impossible to imagine our lives without teachers. They are the cornerstone of our future. We can never thank teachers enough for their immense contribution in a student's life. Teacher's Day is celebrated to show our acknowledgement and recognition of the hard work put in by our teachers towards our development.

The Students of MBA organised a programme for teachers on 6 September, 2018 in seminar hall by Cultural, Creative and Editorial Clubs which was a complete surprise for all the faculty members. The programme began by felicitating each faculty with a card and a sapling as a token of gratitude. The students of MBA first year and second year performed various dance sequences. There were various games planned for teachers. Teachers were delighted by the programme organized for them. There was also cake cutting ceremony where Dr Divya Gangwar, Head of the Department with all faculty members graced the occasion with their presence. The programme concluded with a jam session for teachers as well as students.

Students always look forward to Teacher's Day with a lot of anticipation, for the sheer spirit of the occasion. It requires a lot of hard work and dedication to be a good teacher and earn the affection of students at the same time. Teachers, on this day, are reminded of their school days and feel nostalgic. All in all, it was celebration mode for everyone
