

A guest lecture was organized by ‘Department of Civil Engineering’, on the topic “Road Safety Awareness” for the students of Third year and Final year on 31st August 2017 at 12:30pm to 1:30 pm.

The lecture was delivered by **Dr. Ajay Pratap Singh**, who is a consultant in Road Safety Design and Project of Madhya Pradesh RRDA fund by World Bank and Asian Development Bank.

He discussed road safety awareness and prevention of accidents. He introduced various factors which are causing accidents and how to take preventive measures for the road safety. He also highlighted the accidental data that is approximately “**one death occurs in every 3 minutes in India**”.

He shared his valuable knowledge on Traffic Design, various data related to accidental studies and the innovative ideas on road safety. The lecture was quite informative and beneficial for the students in sense of awareness and self realization on road safety.
