

Career Orientation on what's next after Graduation by Mr. Arks Srinivas CEO-MBA Group from Career Launcher

Date: August 20, 2018

Venue: Auditorium, ADGITM

Objectives:

To deliver & guide the students wide career options after B.Tech. Graduates these days deal with a substantial amount of pressure straight out of the gate. They're determined to make a success of themselves and to take their first steps on the corporate ladder. Despite this, it is becoming clear that the majority of students don't have a clear idea of what they want out of their careers.

Delegates:

Mr. Arks Srinivas, CEO-MBA group, Career Launcher. Delhi

Activities Done:

Students were evaluated on several aspects assessing their aptitude, personality, interests. Students were guided how to crack CAT, GRE/GMAT. Procedure of Admission in various institutes (IIMs and other business Schools) and marks criteria about cut-off was also discussed.

Outcomes:

The evaluation helped students know better about themselves than before. They learned about what are priorities in life. They learned their strengths and weaknesses. Their interest was identified.

Beneficiaries:

B. Tech CSE, 3rd Year students.
